must register your attendance by emailing Info@wellspouse.org

Donations to help with the cost are appreciated

Wellspouse Association Expansion in the Southwest!!!

We are a voice for spousal caregivers. Our group, the Well Spouse Association (“WSA”), is the only nonprofit organization specifically dedicated to spousal caregivers. WSA has a strong presence on the east coast but our desire is to grow accessibility and awareness right here in Arizona and the southwest region of the United States. A dedicated team of current and former spousal caregivers and individuals with a heart for the cause have taken on the simple task of spreading the word about our organization. In addition, we want to help support people trying to manage the mental, emotional, physical, and spiritual stress of caring for an ill partner. If you or someone you know needs support, please refer them to our website www.wellspouse.org. The Well Spouse Association is a nonprofit 501(c) (3) membership organization. All donations are tax deductible and can be made on our website (in the special instructions area simply state “Arizona Project”). All donations are welcome.

Special thanks to Western Refining for supporting our efforts in Arizona
